Jeremy,

As I told Bob on Friday, we have been collecting the customer agreements and beginning the production process. While we expect to begin producing those agreements shortly, we will be making another production early this week that does not include the agreements.

Best,  
Mike

Mike:

This will confirm your discussion on Friday in Chicago with Bob Gill during which you agreed that the below-referenced agreements with VGT customers would be produced in VGT's next document production.

Regards,

Jeremy

Counsel:

Please produce copies of all sale and lease agreements with VGT customers. These documents were specifically requested on March 9, 2018 in Castle Hill's Second Request for Production of Documents and Things. See RFP No. 77 ("Copies of all contracts or agreements for the sale or lease of VGT electronic gaming machines that are the subject of this litigation from January 1, 2013, to present with any casino or other third party."). Following our review, we have only been able to locate a single lease agreement produced to date. See VGT0011135. To the extent any others have been produced, please identify them by Bates number. Otherwise, please produce any responsive documents immediately.

Regards,

Jeremy
